All hotels listed are within a short distance of the Better Light offices and 8 to 15 miles from the San Francisco Airport. **San Carlos is in the middle of the San Francisco Peninsula** with Belmont, San Mateo and Foster City directly North of us, and Redwood City to the South. El Camino Real is the dominant retail business street that runs up the entire Peninsula. San Carlos is 25 miles South of the City of San Francisco.

Rates noted (other than Fairfield Inn) are NOT negotiated rates, but current published rates on the Internet. Early reservations are suggested to take advantage of discounted advance bookings and be sure to check AAA or other discount offers.

AIRPORTS: (All airports have shuttle vans for lower cost than taxi fares)

San Francisco Airport (SFO) is about 12 miles North of the Better Light offices, with easy access right down Highway 101 on the Peninsula. Taxi fee is about \$35-40 and the drive is 15 to 30 minutes depending on traffic and time of day.

San Jose Airport (SJO) is about 24 miles South of our offices, about a \$60-\$80 taxi fee and 30 to 45 minute drive depending on traffic.

Oakland Airport (OAK) is across the Bay over the San Mateo/Hayward Bridge (Highway 92) and North on Highway 880, a total distance of about 35 miles from Better Light's San Carlos offices. Taxi fare could be \$80 or more with a drive time of 45 – 60 minutes (morning westbound commute to Peninsula and evening commute eastbound should be avoided).

TRANSPORTATION:

No organized transportation is planned from airports to hotels or from the hotels to and from Better Light's office. If you do need assistance or suggestions on best options, let us know and we will do what we can to help. **The Fairfield Inn will offer free shuttle service to Better Light each morning for those that do not have their own vehicle.** We will also attempt to have a list of people staying at Fairfield Inn and a Wednesday evening reception, so you can meet other owners and arrange to share a ride to the Conference.

PARKING: Spaces for vehicles is limited in our office complex. Park only in spaces designated for Better Light -- Unit #17 or #18. We will make arrangements for additional parking in the immediate area if required.
